II. CURRENT CONTENTS LIST / TABLE DES MATIÈRES PÉRIODIQUES

The Current Contents List is distributed once a month and contains the tables of contents in alphabetical order by title of periodicals received during the month and chosen from a list of 60 popular periodicals (see attached list).

The issues contained in each Current Contents List are available for you in the reading area, on the display shelf of reserved periodicals. We would ask you to please come in person (or send one of your staff) to photocopy or read the desired material in the library.

PLEASE NOTE that, unfortunately, library staff cannot be spared to do the large amount of photocopying the List is expected to generate, and consequently is not able to accept telephone calls requesting photocopies.

We have, however, made a photocopier available in the reading area for your convenience.

If you would like to suggest titles to be added to the Current Contents List, or give your comments, please call the Reference Desk at 990-8219.

A complete list of the periodicals the library receives is also available for examination at the Reference Desk.

Les Tables des matières périodiques sont distribuées régulièrement une fois par mois et renferment, par ordre alphabétique, les tables des matières des périodiques qui sont reçus au cours du mois et qui sont choisis parmi environ 60 périodiques populaires (voir la liste des titres ci-jointe).

Les numéros figurant dans chaque édition des Tables des matières périodiques sont à votre disposition dans la salle de lecture de la bibliothèque sur le présentoir des périodiques réservés et doivent être consultés sur place. Nous vous demandons de bien vouloir vous présenter en personne (ou envoyer un membre de votre personnel) pour photocopier ou lire les documents voulus.

VEUILLEZ NOTER que le personnel de la bibliothèque ne peut malheureusement pas s'occuper des nombreuses demandes de photocopie et ne peut donc pas accepter les demandes téléphoniques. Nous avons toutefois prévu l'installation d'un photocopieur dans la salle de lecture.

Si vous désirez suggérer des titres à ajouter aux Tables des matières périodiques ou donner vos commentaires, prière de téléphoner au comptoir de la consultation, au 990-8219.

Vous pouvez également examiner au comptoir de la consultation la liste complète des périodiques que reçoit la Bibliothèque.
